

ALDRO

Curriculum Policy

Policy 2a

Author:	Assistant Head (Curriculum) (JAS)
Last update:	September 2021
Governor Lead:	Education and Pastoral Care Committee (Tim Johns)
Governor Review:	February 2022
Next author review due:	September 2022
Next Governor review due:	November 2022

(1) Introduction

Aldro aims to provide a rich and varied curriculum which is stimulating, challenging and sufficiently flexible to suit the ability of everyone, so we bring out the best in every pupil.

Aldro has a strong academic tradition and we are proud of our broad curriculum. We strive to prepare pupils for the opportunities and responsibilities of senior school and adult life whilst, also giving them the time to appreciate a wide range of artistic, creative and sporting experiences, and cover the important elements of personal and social education. The academic curriculum is based on the Independent Schools' Examination Board (ISEB), but with the Aldro Bacc in place (introduced in September 2018), we now aim for greater depth and a move towards developing skills and learning habits.

The co-curricular programme was revised in September 2020 and is now called '*The Enrichment Programme*' and it reflects the Aldro ethos 'Freedom to Flourish' and the Aldro Baccalaureate. Pupils are given the opportunities to foster and develop their communication, creativity, teamwork, responsibility, independence and perseverance skills - all positive dispositions in a prep school pupil and which adds breadth to our academic curriculum.

(2) Entrance to Aldro

Many pupils join Aldro at the age of seven (Form 3), however, opportunities to join at an older age may exist, if there is availability. The offer of a place follows a visit to the school for an assessment day and references to reports from the pupils' current schools are also taken into consideration. For further information, please refer to the school's Admissions Policy.

(3) Co-Education at Aldro

As of September 2021, Aldro is a co-educational school. A review of all curriculum documents has taken place by the Assistant Head (Curriculum) and by the individual HoDs (Heads of Departments), including the Head of the Junior Dept. (SCS), so that girls as well as boys are fully provided for and prepared for their journey, and so that the curriculum is interesting and relevant to all.

(4) Monitoring & Assessing Progress at Aldro

Since September 2020, Aldro has subscribed to the **GL Assessment 'Complete Digital Solution' (CDS)** - a product to record each pupil's potential and achievement across the School. This information will be used to baseline pupils to enable the staff monitor:

- Cognitive ability (CAT 4 testing)
- Progress in English and maths (PTEs and PTMs)
- Reading (New Group Reading Test)
- Spelling (New Group Spelling Test)

a. English

The Progress Test in English (PTE) monitors and tracks progress year-on-year and provides accurate information about each pupil's strengths and weaknesses. It benchmarks the pupils' attainment against peers nationally and identifies gaps. This is particularly important, since the two national lockdowns during the Summer Term of 2020 and the Lent Term of 2021. The PTE focuses on grammar, punctuation and spelling, and on reading comprehension using age-appropriate fiction and information texts. The test is 80 minutes (Pt 1: English Skills - 30 mins) and Pt 2: Comprehension 50 mins). The Reading and Spelling tests are 30 mins and 25 minutes respectively and the tests take place in Weeks 3 to 5 of the Christmas Term, and again in Weeks 3 -5 of the Summer Term.

b. Maths

The Progress Test in Maths (PTMs) tracks the pupils' progress year-on-year and provides accurate information about each pupil's strengths and weaknesses. It benchmarks each pupil's attainment against peers nationally and identifies gaps, which is especially important following the two lockdowns. The PTM focuses on mathematical content knowledge (Curriculum Content Category) and understanding and applying mathematical processes through reasoning and problem solving (Process Category). For Form 3, the test is 35 minutes, but for Forms 4 to 8 it is 75 minutes (Pt 1: is timed mental maths (15 mins) and Pt 2 is 40 to 60 minutes).

As for the PTEs, pupils sit the PTM tests online, during their maths lessons and under the supervision of their mathematics teachers. The tests take place in Weeks 3 to 5 of the Christmas Term and again in Weeks 3 -5 of the Summer Term.

c. CAT 4 Tests

As part of the CDS (Complete Digital Solution) from GL Assessment, all pupils at Aldro also take the online **CAT 4 test** annually. This is a cognitive abilities test, which assesses pupils':

- Verbal
- Non-Verbal
- Quantitative
- Spatial

The test provides an objective perspective on potential student achievement, as well as indicators for national tests and exams. The pupils in each year group ranked according to their Mean SAS score, and their position is used as a baseline when tracking the pupils' Industry Grades. This information is stored on the centralised tracking document – on Teams.

The CAT 4 tests take place towards the beginning of the academic year, typically during Weeks 3 and 4 of the Christmas Term.

(5) The Aldro Bacc

In September 2018, the School embarked on the Aldro Bacc, which spans the curriculum for all pupils in Forms 3 to 8. The Aldro Bacc has allowed each Head of Department to devise a curriculum that best fits our pupils, meets their needs, challenges them and prepares them with the necessary learning dispositions for their senior school and beyond. The curriculum is based on the ISEB Common Entrance syllabus and National Curriculum, and there has been a shift away from learning by rote, towards developing learning skills - the Aldro Bacc Core Skills.

- **Communication**
- **Creativity**
- **Teamwork**
- **Responsibility**
- **Independence**
- **Perseverance**

The Aldro Bacc offers English, mathematics, science, French, Latin, history, geography, Theology, Philosophy and Religion (TPR) (formerly known as religious studies), art, design and technology, music, drama, computing, reasoning, outdoor education, PSHE and physical education. These listed subjects cover all areas of the learning experience, whether they be linguistic, mathematical, scientific, technological, human and social, physical, aesthetic or creative.

(a) Assessing with the Aldro Bacc

a. Forms 5 to 7

Pupils in Forms 5 to 7 have end-of-year assessments in the first week after the May half-term, with a revision week immediately before half-term. This provides opportunities for pupils to prepare themselves and be given guidance, both in terms of content (factual information) and with exam techniques. A revision guide is provided for each year group - paper copies are provided as well as copies put on the Parent Portal.

b. Form 8

Pupils in Form 8 sit a full set of CE / scholarship mock exams in the eight examined subjects after the October half-term. The papers are set, marked and graded internally, and the pupils' outcomes form the basis for the Form 8 Parents' Evening that comes shortly afterwards.

i. Core Subjects

Form 8 pupils sit a second set of mocks in the five core subjects (English, maths, science, French & Latin) in the Lent Term, typically soon after the February half-term.

ii. Non-Core Subjects

For the three humanities subjects (history, geography and TPR), pupils sit their Final Assessment in the Lent Term (in mid-to-late February). The Final Assessments in the three humanities subjects are set, marked and graded internally, and the pupil's grades are sent to their senior schools in June. To support the pupils, specimen papers of the three humanities subjects are available on the Parent Portal, and on Microsoft Teams.

Once the pupils have sat the Final Assessments in the three humanities, the Form 8 CE candidates follow a project investigation, the AIP (Aldro Independent Project).

(b) The Aldro Independent Project (AIP)

The Aldro Independent Project (AIP) is a co-curricular course that is loosely based on the EPQ (Extended Project Qualification) and on ISEB's IPQ (Independent Project qualification). The course takes place during the three humanities lessons and preps only, once the Final Assessments have taken place.

The Aldro Bacc allows each pupil to embark on a largely self-directed and self-motivated project that will encourage their creativity and curiosity, with support and guidance given by a project mentor.

The finished project will take place in the form of:

- **Written report** - the 'Project Record' which guides the pupils to '
 - o Research and Review' (500 words)
 - o 'Discuss and Develop' (500 words)
 - o 'Reflect' (100 words)
 - o Produce a bibliography
- A **presentation** (with PPT) in front of staff or a video presentation

Each pupil has a 'Supervisor' who will help the pupil to:

- | | |
|-----------------------------------|---|
| • Manage | identify, design, plan & complete the project |
| • Use resources / research | obtain & select information from a range of sources, so they can be used appropriately. |
| • Develop & realise | use a range of skills & technologies |
| • Review | evaluate the outcome |

The pupils are free to research a topic of their choice, and once it has been ratified by Mrs Eves (EKE - the AIP Coordinator), they are then encouraged to put their title into the form of a question.

Pupils are not expected to invest time outside of the humanities lessons and preps towards their extra-curricular project, and this so the AIP does not impinge on the pupils' preparation for their CE exams in the five core subjects (English, maths, science, French & Latin). The deadline for the AIP projects is late June and the pupils' AIP grades (together with the titles chosen) are sent on to their senior schools.

(6) The Year Ahead Meetings

The Year Ahead Meetings take place at the start of the academic year with the aim to inform parents of their child's journey for the forthcoming academic year.

The Headmaster, Assistant Head (Curriculum), the Head of PSHE and the relevant Form Tutors give short presentations, which include important dates for tests and exams. Information about School policies relating to pastoral and academic issues, such as the timetable, the Presentation Policy and Classroom Expectations, are also discussed and presented. Parents are also free to raise questions.

(7) The Assistant Head (Curriculum)

The role of the Assistant Head (Curriculum) is to continually improve the delivery of academics at Aldro and to help both the Heads of Departments and the subject teachers ensure that each pupil has the opportunity to make excellent progress and achieve excellent outcomes in every subject. Other aims are to ensure consistency across the departments, to implement and coordinate new teaching ideas, so the school keeps abreast with the latest and most appropriate learning strategies.

The Assistant Head (Curriculum) runs regular academic meetings:

(a) Heads of Department Meetings (HoDs)

These take place three times each term: as part of the INSET at the beginning of each term, and at regular intervals throughout the term. These meetings are chaired by the Assistant Head (Curriculum), an agenda is emailed to the HoDs prior to the meeting and the minutes are written up afterwards and stored on ONE Note. The meeting is an opportunity for the HoDs to discuss academic matters / strategies throughout the school and for HoDs to raise issues of concern.

(b) Meetings for Setting Purposes

Meetings take place twice a term to discuss the setting of pupils and any subsequent changes to the sets. These meetings typically take place on a Wednesday afternoon, after School matches, just before the October and February half-terms, and at the end of the three academic terms. All HoDs of a set subject are invited to attend so that the most accurate picture of each pupil concerned can be made and the correct decision made. Following the meeting, minutes are circulated to the Heads of the set subjects (English, maths, French and Latin), and to all Form Tutors.

Procedures for set changes, following agreement by all parties, in a Set Change Meeting:

- Pupil is informed verbally (by the subject teacher)
- A phone call is made by the subject teacher to the parents to explain why a change in sets is taking place.
- The IT technician is informed and the set change is made on Schoolbase, once the industry Grades / reports are released.

For the 2021 / 2022 academic year, the only subjects that are set against another is Latin (against Art and DT - in Fm 7) and the three humanities subjects in Form 7.

(8) The Academic Curriculum Team

The Academic Curriculum Team (ACT) meets weekly and the team consists of;

1. Assistant Head (Curriculum) (JAS)
2. Head of the Junior Department (SCS)
3. Head of Learning Support (VW)
4. Heads of English (LMcS) and maths (FMD)
5. Head of Examinations (MDT) & Pupil Progress Analyst (EKE)

The team meets to:

1. **Track Pupils' progress**
 - i. Discuss which pupils are **MAGT** (More Able Gifted & Talented).
 - ii. Monitor & discuss pupils' **CAT 4 scores**.
 - iii. Monitor & discuss Pupils' **PTE** and **PTM scores**.
 - iv. Monitor & discuss pupils' **Industry Grades** & track their performances over time, & how their positions relates to their CAT 4 scores, and whether they have changed since the last set of IGs.
 - v. Discuss pupils who are deemed **CfC** (Cause for Concern) and to coordinate Intervention Strategies across the curriculum.
2. Discuss **Learning Support pupils** - EAL, one-to-one lessons, Extra Time pupils, Word Processor allowances
3. **Discuss Strategic Changes to the Curriculum**
 - i. Changes to the reporting schedule (Industry Grades, reports, parents' evenings)
 - ii. The school curriculum - length of lessons, length of the working day, 'Saturday School', timetabling.
4. **Discuss operational Functions**
 - i. Lesson Observations
 - ii. Classroom Walks
 - iii. Book scrutinies
 - iv. Departmental Handbooks & Schemes of Work
 - v. Presentation Policy & Classroom Expectations
 - vi. Revision Resources
5. **Aldro Bacc and EQI pupil outcomes**
 - i. A review of the six core skills and learning dispositions
 - ii. Assess the core skills and learning dispositions

The minutes for each ACT meeting are stored on OneNote are accessible for all members of the ACT.

(9) Heads of Department

The Heads of Department (HoDs) are responsible for planning and monitoring the delivery of their subject. Each HoD is responsible for:

- Designing a scheme of work that is appropriately challenging and stimulating for pupils of varying ability, taking into account pupils who are EA, MAGTL and who benefit from tuition from the Learning Support department (SEND and EHC).
- Designing a curriculum for each subject to give pupils the opportunities to develop their literacy, numeracy, listening, speaking and Aldro core skills, and so they are fully prepared for ISEB Common Entrance, scholarships and for Form 9 at their senior school.
- Planning and coordinating resources for each subject.
- Keeping the handbook and schemes of work (SoW) up-to-date.
- Publishing Programmes of Study at the start of the academic year and Curriculum Maps for the start of each term.

(10) Form 8: Forms and Set

Aldro has always enjoyed a strong academic reputation and pupils achieve scholarships to many of the top senior schools, including Charterhouse, Eton, Radley, Tonbridge, Wellington and Winchester. The academic content of most senior school's scholarship is more demanding than the CE syllabi, and often reach the standards of GCSE, and even A Level.

Pupils who are not invited to sit a scholarship take the ISEB Common Entrance in the five core subjects: English, maths, science, French & Latin. The completed papers in these subjects are sent to the pupils' prospective senior schools following the exam session in June. For the non-core subjects (history, geography & RS) pupils are assessed in November and in February and the grade / score of the final assessment secured in February will be sent to the senior schools in June.

For the academic year 2021-22, the five cores subjects are taught in sets (except for science), whilst the three humanities and the non-examined subjects are delivered in the two forms; 8K and 8R.

(11) The Junior Department

For the 2021 - 2022 academic year, the Junior Department consists of two Form 3 and two Form 4 classes:

- Form 3S (Miss Shaw)
- Form 3P (Mrs Plaistowe)
- Form 4M (Mrs McSweeney)
- Form 4N (Mr Nixon)

Pupils in Form 3 are taught English, spelling, maths, Humanities and PSHE by their Form Teacher. The pupils are based in their form rooms for most subjects (including French), and move to specialist venues for science, computing, Art, DT, music, drama, PE and Outdoor Education. The pupils in Form 3 also benefit from support given by in-class teaching assistants.

(12) The Timetable (2021 - 2022)

The School has three separate lunch sittings:

- | | |
|-------------------------------|-------------------------------------|
| • Senior School (Forms 7 & 8) | 1.00 - 1.30pm (12.30 Weds) |
| • Middle School (Forms 5 & 6) | 12.30 - 1.00pm (12.00 Mon/1pm Weds) |
| • Junior Dept (Forms 3 & 4) | 12.00 - 12.30pm (12.30pm Mon) |

Typically the School has chapel each morning, from 08.35 - 08.55, and an assembly on Friday. **However, with current COVID restrictions, chapel currently take place with two year groups at a time.** See Appendix E for sample timetables.

(13) Special Educational Needs and Disabilities (SEND) and English as an Additional Language (EAL)

Associated Policy – SEND and EAL Policy 3b

The SEND Policy reflects Aldro's provision in the context of the Children and Families Act 2014 and the SEN and Disability Code of Practice, 0-25 years 2014 (SEND Code 2015). This ensures we provide suitably for pupils with statements/EHC plans.

The department's role is to provide individual support for pupils who require strategies to address their particular needs. The department supports staff to identify pupils' learning difficulties, plan teaching strategies and liaise with parents and outside agencies to co-ordinate any extra help that may be required. This help may be in the classroom or on a one-to-one basis outside the classroom. Learning Support is timetabled to ensure that pupils do not miss key academic lessons. For some pupils, Latin is a subject that they will not study and Latin lessons times are often scheduled for learning support for pupils that require it.

Aldro offers 1:1 lessons (English and French) to new pupils with English as an Additional Language to focus on the requirements of the English and French languages. All pupils are tested prior to entry and their language skills are assessed with reference to the Common European Framework of Reference (CEFR). Required levels of additional English and French lessons will depend on their levels and year

of entry. EAL pupils are monitored on the Support Register and their 1:1 work is outlined in their twice yearly IEPs, which are shared with their parents and staff

(14) Marking

(a) School marking policy (see Appendix A)

It is expected that the subject teacher marks and returns the pupil's work on a regular basis. The School's policy is for marking and assessing to provide written comments and include questions, though it is sometimes clearer to the pupil for certain pieces of work, for example a vocab test, to be awarded with a numerical score or with a grade.

To help pupils improve and make progress, teachers provide feedback on areas of strengths and areas for improvement. Teachers are expected to mark and assess pupils' work in either green or pink ink and please refer to the departmental handbooks for specific marking guidance.

Pupils are expected to use a contrasting colour (such as a grey pencil) when doing their corrections and self-reflections and they are encouraged to initial any comments made by the teacher, and to answer any questions included in the feedback.

(b) Self and Peer Assessment

Self-assessment is also an integral part of marking as it allows work to be analysed and corrected in real-time by the pupil. The aim is for a discussion and a dialogue to be created between the pupils and with the teacher to help foster a higher level of learning.

Where verbal feedback is often given, teachers are encouraged to mark work with the acronym; VF.

(15) Monitoring and Evaluation

(a) Reporting & Industry Grades

Pupils' progress is monitored continually, for both classwork and for prep. At each half-term and at the end of term, each pupil receives a set of Industry Grades as well as a Form Tutor's comment. This brings in the pastoral element to the reporting.

- At each half-term, pupils are given an '**Interim Report**', where grades for both **Attainment** (from a low of 1 to a high of 5) and **Effort** (from A to E) are given for each subject. The grade reflects the pupil's achievement and is not based on his/her position to the rest of the form or year group. Each pupil will also receive a brief report for his / her Form Tutor.
- At the end of the Christmas Term and Spring Term, each pupil receives a '**Short Report**'. This style of report is new to Aldro and it involves a brief written comment from each subject teacher - maximum of 300 characters. Staff will be encouraged to comment on three elements:
 - i. The pupil's overarching performance.
 - ii. The pupil's Attainment & Effort.
 - iii. Provide a target going forwards.
- At the end of the Summer Term, a 'Long Report' is provided, which includes exam scores (including the form or year group median) and a full written report on each pupil's performance, effort and progress across the academic year in each subject.

It is worth noting that for pupils in Form 8, the schedule for reporting is different:

1. Christmas Term

- a. October half-term: Interim Report
- b. End of term: Short Report for all subjects, except for the three humanities which will receive a Long Report (to help guide students in greater for their Final Assessments, in February).

2. Spring Term

- a. October half-term: Interim Report
- b. End of term: Form 8 pupils to receive a Long Report in the five core subjects, and a Short Report for the three humanities and non-examined subjects.

3. Summer Term

- a. October half-term: Interim Report
- b. End of term: Form 8 pupils to receive a Short Report in the eight examined subjects and a 'Long Report for the non-examined subjects.

Grades for **Attainment** are awarded based on the criteria below:

- | | | |
|----------|------------------------|---|
| 5 | Exceptional | <p>is going beyond and/or combining with other learning and applying to new situations</p> <ul style="list-style-type: none"> • Has readily understood new concepts and skills to a high level while building up excellent body of knowledge. • Making rapid progress when challenged and is a self-motivated learner who is able to work independently. |
| 4 | Mastering | <p>is achieving independently nearly all the time & retaining information</p> <ul style="list-style-type: none"> • Making good progress and has developed a good understanding of key concepts and can work independently. • Able to make connections between different subject areas, and draw on knowledge and understanding without prompts. |
| 3 | Achieving | <p>is achieving independently most of the time</p> <ul style="list-style-type: none"> • Making progress. • Able to acquire sufficient new skills, concepts and knowledge to enable each stage of learning to be meaningful. |
| 2 | Working towards | <p>has begun, achieving some of the time but needs adult support</p> <ul style="list-style-type: none"> • Has some difficulty in acquiring knowledge and skills in this subject but is making progress. • Has developed some understanding of key concepts but generally finds it difficult to apply what has been taught, and is dependent on support. |
| 1 | Emerging | <p>not yet begun, needs full adult support or other intervention</p> <ul style="list-style-type: none"> • May be making slow progress. • Has developed some understanding of key concepts but these may be isolated examples. |

Grades for **Effort** range from a high of A to a low of E, and they reflect the effort each pupil has put into his / her classwork and preps over the last half of term. It takes into account the pupil's attitude to learning, presentation of work, initiative in completing tasks, behaviour in the classroom and whether the pupil hands in work on time and is punctual to class. The level descriptors are as follows:

- | | | |
|----------|------------------|---|
| A | Excellent | <ul style="list-style-type: none"> • Exemplary attitude at all times • Concentrates and participates eagerly in all activities & class discussions • Keen and always willing to try their best |
| B | Good | <ul style="list-style-type: none"> • Very good attitude and working hard • Willing to engage actively in lessons • Participates well in a variety of classes |
| C | Expected | <ul style="list-style-type: none"> • Positive and willing attitude most of the time |

- Adequate concentration
 - Will participate in tasks when asked
- D Moderate**
- Does what is required but lacks self-motivation
 - Only participates when encouraged
- E Poor**
- Negative attitude to any task set
 - Unwilling to participate
 - Often distracted or distracting to others

(16) Book Scrutinies

To ensure teachers follow the school's marking policy and to keep their marking up-to-date and to share best practice, book scrutinies regularly take place. The dates are announced in advance, and the Assistant Head (Curriculum) selects 3 pupils from each year group, with the support from the ACT (Academic Curriculum Team) to check that pupils books adhere to the presentation and marking policies, and show evidence of pupil progress.

(17) Twilight Sessions (Teacher meets)

In-house twilight sessions, organized by a member of staff, take place regularly on Wednesday evenings (5.00 - 6pm) to promote the sharing of good practice.

(18) Outcomes for Pupils

The ISI Educational Quality Inspection (EQI) focuses on 'outcomes for pupils', with regards to pupils' achievements and their personal development.

To successfully measure each pupil's outcomes, a greater focus is on giving opportunities and evidencing pupils' outcomes:

- **Exam results** (& change over time) - standardised tests (CAT 4 tests, PTEs and PTMs).
- **Knowledge, skills & understanding** across the curriculum (linguistically, mathematically, musically, technologically, physically, creatively. Are there areas where a pupil demonstrates particularly effective KSU (knowledge, skills and understanding).
- **Communication** - how well do pupils develop the speaking, listening, reading and writing skills, and how well do they apply them to their learning across the curriculum?
- **Numeracy** - how well do pupils develop their competence in numeracy?
- **ICT** - how well do pupils develop their competence in ICT and apply their ICT skills to other parts of their learning?
- **Study Skills** - how well developed are the pupils' higher order learning skills, such as to analyse, hypothesise and synthesise?
- **Academic and Other Achievements** - how well do pupils achieve in other areas - scholarships, competitions, sports & extra-curricular activities?
- **Attitudes** - do pupils demonstrate initiative and independence. Are they willing to work collaboratively?

(19) Communication with Parents

a. Reports

These are published twice a term, and as stated previously, they include:

1. The Interim Report grades for Attainment & Effort and a brief Form Tutor comment (c. 800-character limit).
2. The Short Report grades for Attainment & Effort and a brief written report for each subject (300-character limit)
3. The Long Report full written report (1,000-character limit)

b. Parents' Evenings

These take place throughout the academic year, and each parents' evening has a specific 'conversation' to focus on. They traditionally take place in the CHC, face-to-face but it is intended that for the Lent Term 2022, they will take place using School Cloud. See Appendix F for timetable of parents' evenings.

c. 'Book Looks'

'Book Looks' are being introduced across the School and take place in the pupils' classrooms, where the pupils will have their exercise books on their desks for parents to come and see. Form Tutors are present and it is an opportunity for parents to see their child's books and meet the Form Tutor on a more informal basis.

(20) PSHE, SMSC and RSE

The PSHE, SMSC and RSE curriculum, coordinated by Mrs. McSweeney (LMcS) reflects the school's ethos to encourage self-awareness and respect for others. The syllabus impinges on all areas of school life, and it can be delivered in a variety of contexts as well as a timetabled subject. In addition to the PSHE lesson, the Form Tutor period and TPR lessons are two important opportunities for delivering PSHE, as well as Science. Certain topics, for example drugs education, may be most effectively delivered by an outside specialist agency. Careers guidance takes place within PSHE and in the Form 8 leavers' programme.

Aldro is required to meet the requirements of section 78 of the Education Act 2002, in our provision of SMSC. We achieve this through the PSHE lessons, Form Period discussions, school assemblies, chapel services, the school council and in individual subject lessons.

The PSHE, SMSC and RSE Policy (2d) has details of these schemes of work.

(21) Presentation policy

A presentation policy has been agreed to help the pupils improve the setting out of their written and typed work (see **Appendix B and D**). It is expected that every piece of work is dated on top line, on the left, and that a line is missed out before writing out the title in the centre. The presentation policy has been named **DUMTUM**, which stands for **D**ate, **U**nderline, **M**iss a line, **T**itle, **U**nderline, **M**iss a line. It is expected that for most lessons, a learning objective (L.O.) should also be included, to help the pupils see the focus of the upcoming lesson.

(22) The Form Tutor

The Form Tutor provides a pivotal role in the monitoring of each pupil's progress, both academically and pastorally. The Form Tutor takes the morning registration each day at 8.25am and their aim is to help pupils prepare themselves for the day ahead, identify potential clashes and share notices about timings. Once a week each Form Tutor has a half-hour period to discuss topical events, forthcoming events in the School etc with his / her form.

(23) Promoting Fundamental British Values (FBV)

Aldro strives to prepare pupils for the opportunities and experiences of life in British society, and as part of FBV (Fundamental British Values), our aim at Aldro is to promote democracy, the rule of law, individual liberty, mutual respect and tolerance of those with different faiths and beliefs.

(24) Assessment for Learning (AfL)

AfL was introduced to Aldro in September 2018, and the aim is to help create a journey for the pupils for every topic in each subject. Assessment for Learning (AfL) gives opportunities for pupils at Aldro to reflect and assess themselves. The AfL sheets (see Appendix C) are given out to the pupils at the beginning of a new topic / module, and only at the end do they fill it in using the triangle method. The system has been standardised across the curriculum to help the pupils, and they are encouraged to be honest about their understanding – it creates a dialogue between pupil and the teacher.

(25) Continuing Professional Development

The performance of the academic staff at Aldro is reviewed through a biennial appraisal system, and, as part of their CPD (Continuing Professional Development), teachers are encouraged to attend courses relating to either personal, professional or school development targets. In-service training (INSET) is provided at the start of each term targeted at improving standards of teaching and learning and/or other aspects of school-wide development. The school also offers more informal Teacher-Meets for the sharing of teaching and learning and/or other aspects of school-wide development.

At each Weekend Leave and at half-term, there are staff meetings to focus on aspects of professional development.

(26) Facilities

a. Specialist Teaching Rooms

Whilst many of the subjects take place in classrooms, Aldro also offers a number of specialist teaching rooms. These include:

- **Computer Room** There are twenty desktops in the computer room as well as forty laptops (in two banks), which are stored in lockable cabinets (by the Learning Support Dept. and in the Junior Dept.).
- **Learning Support Rooms** There are three rooms dedicated to one-to-one LS lessons. Each room has a window in the door and they are all well-lit and ventilated.
- **School Library** The school librarian is responsible for running the library, which includes over 6,000 books, and uses the Dewey decimal system for non-fiction, and the ZPD (Zone of Proximal Development) system, based on the Accelerated Reading system.
- **Science Laboratories** There are two fully equipped laboratories and 75% of the lessons are practical based.
- **Design and Technology** There is a 'design studio' with eight computers, and a fully equipped workshop, which contains a wide range of machinery and hand tools. The department has CAD/CAM (computer aided design and computer aided manufacturer).
- **Art** The department benefits from a kiln and a printing press, and there is a full range of graphic media, paints, textiles, collage and sculpture materials. There is an open door policy for all pupils to use the Art room outside of lesson times. There are Art clubs for pupils as well as Art scholarship sessions, open to potential scholars in Form 7 & 8 pupils.
- **Crispin Hill Centre (CHC)** Drama lessons take place in the CHC (Crispin Hill Centre), and this venue is also used for school assemblies, school play productions and musical ensembles and dance.

- **Sports Hall** This is called the ASC (Aston Sports Centre) at Aldro, opened in 2016, and is used for the PE lessons throughout Christmas and Spring terms, for games and by the boarders in the evening (6.30 to 7.15pm) after supper.

b. Laptops

The School is rolling out a 'BYOD' programme. Starting in September 2021, pupils in Form 6 are leasing a laptop. It is the responsibility of the pupil to bring their laptop into School each day fully charged, and to store their devices in their classroom locker between lessons. There was a review of the trial at the October half-term, Form 7 are now following a similar scheme, which started in January, 2022.

The School has forty laptops, which are kept in two lockable trolleys - outside the Learning Support Department (first floor), and in the Junior department.

(27) Distance Learning

a. Microsoft Teams

With School on lockdown during the Summer Term (2020) and the following Spring Term (2021), the teachers delivered their subjects remotely using Microsoft Teams. The Head of IT (Mr Alexander) was responsible for training staff and pupils, as well as for setting up the Teams for colleagues to populate with:

- Resources (using Files, Class Materials)
- Worksheets and exercises (using Assignments)

This facility remains in place to support pupils and teaching staff who may need to access lessons from home. An element of hybrid teaching and learning is expected of staff, to cater for pupils requiring this remote access during onsite lessons.

Associated Policies

(2d) PSHE, SMSC and Policy

(3b) SEND and EAL Policy

(15a) Admissions Policy

Appendix A (From Staff Handbook)

Marking Policy

1. Marking needs to be kept up-to-date, and returned promptly to pupils.
2. Teachers should keep a record of the pupils' marks.
3. All pupils' work should be marked in either pink or green ink. No marking is to be done in pencil.
4. To help pupils improve and make progress, teachers provide feedback on areas of strengths and areas for improvement.
5. Errors should be identified by the teacher and corrected by the pupil, using a contrasting colour (such as a grey pencil).
6. Marking may include various forms of self-assessment by the pupil, and pupils may mark each other's work (peer assessment).
7. Credits are awarded to pupils where work (both written and oral) is of a high standard or reflects a positive effort. Work that is handed in to a poor standard and the pupil should be asked to rewrite.

Appendix B: Expectations Sheet for Pupils

What to bring to Lessons

- Pupils are to bring their **pencil case**, **student planner**, a **reading book**, **subject folder** or **exercise book**, and **textbook** to each lesson.
- Each pencil case must include at least two writing pens, grey pencils, a ruler, rubber, a pencil sharpener, glue stick, scissors and coloured pencils.
- Pupils are **not to bring any bags or rucksacks into the classroom**.

When prep is set, pupils must copy the instructions from the board into their planner.

Presentation

1. Write the **date** (3 September) **on the top line inside the margin**. Miss a line and then write the **title** (in the centre). Miss a line again and then writes the Learning Objective in full, as this will show what we are going to do.
2. Write your class notes and preps in **blue ink**. Underline the date and title with a **grey pencil**. If you use a biro, then you will be asked to do it again properly.
3. Draw all diagrams in pencil (including annotations), and use a ruler and pencil for any arrows or lines.
4. Do **not** doodle on your exercise notes, red folder or in the textbook.
5. Start a new exercise (or set of notes) on a new side of paper.
6. Cross out a mistake with a ~~single line~~ using a **pencil** and a **ruler**. Do not use ink eradicator or Tippex.

Marking

The aim of marking is for the teacher to **give you feedback** so you know how well you did and how to improve next time. Please initial the teacher's comments, so they know you have read them.

It is the pupil's responsibility to catch up on any missed work.

Class Discussions

- Remember to give **detailed answers** when invited by the teacher to contribute to the class discussion. **Don't rush your answer**, give examples (if possible) and explain your ideas clearly.
- If you have a question, **put up your hand and wait**. Please do not shout out or interrupt your classmates.

Take pride in your work and always do your best!

Appendix C: Assessment for Learning

Below is an example of an AfL sheet.

Battle of Crécy

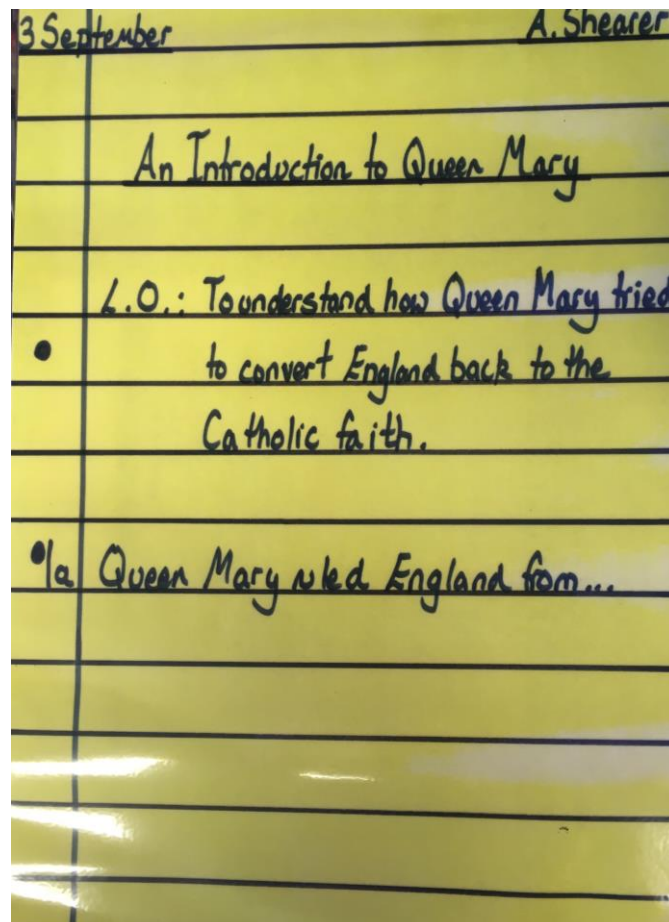

Learning Objective:

To make an A4 poster on the Battle of Crécy and show an understanding as to why the French lost, and the legacy of the English victory.

Success Criteria	Pupil Evaluation	Teacher Evaluation
To learn about Edward III's chevauchée through northern France (summer, 1346), and how the English were chased by King Philip VI of France.		
To learn how the Edward III and the Black Prince set up their army on a hill with the sun behind them.		
To understand that the French army was much bigger (30,000 to 40,000 men) and was dominated by nobles on horseback (men-at-arms).		
To understand how technology (the long bow) enabled an English victory over the Genoese crossbowmen fighting for the French army.		
To learn about the blind King John of Bohemia and understand that the traditional story of his motto (Ich Dien) and ostrich feathers may or may not explain the motto and crest of the Prince of Wales. The debate.		
To understand the legacy of the battle and how the English victory crippled the French army.		

Appendix D: Presentation Policy

Below is an example of the presentation policy, which is called DUMTUM. A3 sized posters are on show in every classroom to help the pupils. DUMTUM stands for **D**ate, **U**nderline, **M**iss a line, **T**itle, **U**nderline, **M**iss a line.
